LTO & LR3b not currently available. Check <http://www3.eng.cam.ac.uk/itservices/bookings/> for capacity numbers or other facility questions.

Lectern PC login information: Lectern PCs require a CUED IT account to access. To reset your CUED password contact [helpdesk@eng.cam.ac.uk](mailto:helpdesk@eng.cam.ac.uk). Visitor logins are available from Reception.

\* **Hybrid:** Additional 2x large display monitors on trolley for presenter – contact AV to setup. Webcam & audio mix of all microphone(s) to the lectern PC only – device names for Teams/Zoom (camera, microphone, speakers) on a yellow sign on the lectern.

\*\* Hearing loops are of the infra-red transmission type and require neck-worn receivers to work with hearing aids in the 'T' position. Please contact [av-support@eng.cam.ac.uk](mailto:av-support@eng.cam.ac.uk) to book the use of the necklaces in advance.

\*\*\* Presentation clickers are secured for use with installed lecture room PCs only. Users wishing to use their own laptops must provide their own clickers or pre-book a loan from [av-support@eng.cam.ac.uk](mailto:av-support@eng.cam.ac.uk)

WiFi access is available in all lecture rooms via the eduroam and UniOfCam wireless networks. Only users that have devices that have been previously configured to connect to eduroam can utilise this network.

The UniOfCam wireless network can be used by either Raven authenticated Cambridge University users or by utilising an appropriate visitor ticket. Where visitor tickets are required for guest access these need to be requested in advance via [helpdesk@eng.cam.ac.uk](mailto:helpdesk@eng.cam.ac.uk)

**Further AV enquiries can be made via [av-support@eng.cam.ac.uk](mailto:av-support@eng.cam.ac.uk) or by calling 01223 332660**
